

Month 1 - Personal Holiness

"Test me, LORD, and try me, examine my heart and my mind" Psalm 26:2

Lord, I desire personal holiness because...

Lord, I thank you for...

Lord I struggle with unbelief because...

I pray for deliverance from...

Lord, I repent of selfishness in the areas of...

Forgive me for my anxious thoughts, fears and doubts, especially in the area of...

Forgive me, God, for the many ways I have neglected...

Allow me to truly and finally forgive the following people who have sinned against me...

Lord, allow me to forgive myself for ...

Lord Jesus, I sometimes fail to make Bible study and prayer a priority in my life because...

I commit to faithful daily prayer for...

Ignite a fervent desire for personal holiness and prayer in every member of our church. Let our prayers be a fragrant offering producing revival in individuals, families, our church body, our community and our world. Transform us through prayer to be more like you.

We pray for Pastor Corky and the leaders of our church and their families. Protect their time with you, their health, their strength and most importantly, grow their love for and dependence on you. Heavenly Father, we ask a spirit of perfect unity and grace-filled communication within our church. We pray for trust in leadership decisions, including a solution to our parking problems, always trusting in your perfect plan.
