

1

## YOU WON'T BE ALONE!

You'll be paired with another teacher in the classroom.

2

## WE PREP FOR YOU!

Your lesson is prepared for you and is sent to you during the week before your Sunday so you know what to expect.

3

## YOU HAVE FLEXIBILITY!

We are a team! If there's a Sunday you know you aren't available, just go into our scheduling platform and blockout those days! We just ask you commit to being with our kids at least one Sunday per month!
